

## Case study

Your team has received a proposal to develop a design for a group of Russian investors who want to build **Hyperloop in Russia**.

We need to substantiate whether this project is feasible.

**HYPERLOOP**

### Requirements

- No more than 6 slides besides the title slide and team introduction
- All additional analytics and calculations can be backed up in the presentation
- You will have 10 min for presentation and 10 min for Q&A
